Please, NO LITTERING!

Our roads have become quite a mess. Let's take care of our neighborhood to the best of our abilities. If you see someone littering, please take down the license plate number and turn it in. Also, please be courteous and pick up any trash that flies from your vehicle or trashcans. We, as residents, are responsible in keeping our community clean. We want the best for our families and our home, so let's all take some initiative and do just that.

Town Meeting

Tuesday, January 26th, 2016
